It's Time for the Miraculous!

By Karen Garnett, Executive Director

There has never been a more urgent time to be a part of the pro-life movement, the greatest human rights campaign in history. God has blessed us in so many ways up to this point, and we look forward to His continued blessings in the years to come.

Among the blessings, we still face the sober reality that, after 38 long years of fighting for the lives of the unborn, and the restoration of their protection by law, sadly, as we start another year, with the current state of our culture, we can expect more attacks on human life, more attacks on our beloved Pope Benedict XVI, and more attacks on the Church and the pro-life movement. We can expect efforts for more government funding for groups like Planned Parenthood, the largest provider of abortions on earth.

As we keep our eyes on what is taking place nationally and internationally, we can never lose sight that the abortion holocaust is first and foremost a *local holocaust*. We are called to do everything we can to combat the culture of death and bring an end to the killing in *our* community.

As we approach the four-decade mark of the battle, with 51 million lives already lost in our country, a message has been resonating across our movement the last several months, and that is that *It's Time for the Miraculous*. In Matthew 17, Jesus tells his disciples: "If you have faith the size of a mustard seed, you will say to this mountain, 'Move from here to there,' and it will move." Not, "you *can* say to this mountain," but "you *will* say to this mountain." It's time for the *mountains to move* as never before — the mountain of each heart that is hardened to the beauty of life, the

4,000 Stand Up Against Late-Term Abortions in Dallas

The battle at 8616 Greenville Avenue is still being waged through peaceful prayer, silent witness and community outreach outside the Southwestern late-term abortion center in north Dallas. This facility opened its doors in October 2009 and has been killing babies through six months of pregnancy ever since.

The facility is run by long-time abortionist Curtis Boyd, who has a deep-rooted abortion history in Dallas since 1973. Boyd admitted to Channel 8 News that he has performed 300,000 abortions since that time. But his victims are not just the unborn. Among the dead in his record is 22-year-old Vanessa Preston, who died in 1980 from complications after having an abortion performed by Boyd. Preston left behind a husband and another small child. Boyd continues to perform abortions today.

The CPLC responded to this wound on the community by sponsoring a 2009-10 Winter

40 Days for Life Vigil (four hours per day) during which nearly 1,000 pro-lifers braved the cold to stand witness against this atrocity.

Continuing the fight for life, the Dallas faithful appeared *in the thousands* to pray in front of this facility as part of the 2010 Fall 40 Days for Life campaign. The campaign kicked off with 40 Days National Director David Bereit's keynote address describing the special role the CPLC

Largest crowd ever gathers for The Bishop's 17th Annual Catholic Pro-Life Dinner

On Saturday, April 10, 2010, more than 2,300 people gathered to celebrate “The Splendor of the Gospel of Life” and to listen to keynote speaker Cardinal Daniel DiNardo, Archbishop of Galveston-Houston and Chairman of the U.S. Bishops’ Committee on Pro-Life Activities, and special guest Abby Johnson, former Planned Parenthood Director. Facing one of the most challenging years in the pro-life movement, the crowd was inspired and energized to continue their devoted support of building a Culture of Life in North Texas and beyond!

“Abortions do not happen in the White House. They do not happen in the halls of Congress. They happen here, in our community, in our backyards, and we have got to be there to spread the message of Christ, and to spread the message of hope to these men and women who feel like there is no hope for them.” – Abby Johnson, Former Director of Planned Parenthood

Largest Boot Camp Ever Sees Abortion Center Worker Quit!

Over 100 pro-life youth attended this year's Youth For Life Pro-Life Boot Camp hosted by the Catholic Pro-Life Committee of Dallas and Catholics Respect Life Ministry of Fort Worth. Held July 30th-August 4th, the Boot Camp theme was "It's a Revolution — Theology of the Body." Youth traveled from multiple states to hear pro-life testimonials and expert presentations on the Theology of the Body and other pro-life issues, as well as participating in Mass and volunteer projects.

Among the pro-life skills the youth learn at Boot Camp is sidewalk counseling, including on-the-street training, while peacefully praying at local abortion centers. This year, that training brought with it amazing blessings. While the youth prayed outside an abortion center, a worker exited, approached a chaperone and said, "I quit!" Another abortion worker expressed her desire to do the same and entered a continuing dialogue with Monica Ashour, co-

founder of the Theology of the Body Evangelization Team (TOBET). At another abortion center where the youth prayed, four babies were saved when their mothers chose life, no doubt moved by the incredible witness of our youth standing up for their little brothers and sisters in the womb.

and Dallas played in the history of 40 Days for Life, hosting the first vigil outside the originating city, and inspiring the campaign to go national.

David challenged the Dallas faithful to do more than they ever had before, and we responded with 4,000 prayer volunteers praying 960 hours straight over 40 days. During the vigil, 14 lives were saved from abortion at Southwestern, and many more hearts were converted!

Check out the campaign blog for amazing stories from the street: 40daysforlife-dallas.blogspot.com.

The CPLC will continue to maintain a peaceful prayer and sidewalk counseling presence outside all five abortion centers in Dallas until the killing stops. Please join in this effort as a sidewalk counselor or prayer partner or during the next 40 Days for Life campaign. Visit prolifedallas.org/converttolife to learn more.

It Started Here. Let's End it Here!

With the largest crowd ever assembled in Dallas history in memorial of the tragic *Roe v. Wade* decision, the mood at the 2010 Roe Memorial Mass, Rally and Dallas March for Life seemed more intense, the need for change more clear.

The Routh Street abortion center on North Central Expressway in Dallas saw 500 people descending from shuttle buses to pray the Rosary at 8 a.m. before heading to the downtown Cathedral for the pro-life Memorial Mass, where the crowd overflowed to the seating adjacent to the church and even outside.

After Mass, 6,000 pro-life witnesses processed to the Earle Cabell Courthouse in downtown Dallas where *Roe* began. At the rally, Bishop Kevin Farrell told the cheering crowd, "We must never give up! Fifty million people have already lost their lives because too many people have stood on the sidelines on this issue for too long!"

This year's Roe Memorial Mass, Rally and Dallas March for Life will be Saturday, **January 22, 2011** — exactly 38 years to the day from the tragic decision legalizing abortion in America and leading to the death of **51 million** unborn children. Join Bishops Farrell, Vann, Seitz and Deshotel, diocesan clergy, and thousands of people of faith to pray for an end to abortion in our city, state and country, to witness publicly, and rally and march for a Culture of Life! (See schedule of Roe Memorial Events on p. 12.)

Help us meet the Bishop's challenge of 10,000 marching for life in 2011! Visit www.prolifedallas.org/roe for more information.

It's Time for the Miraculous! (continued from p. 1)

mountain of each of the five remaining abortion centers in Dallas to *stop killing or move out*, the mountains of entire congregations being *awakened and mobilized to defend life*. We're already seeing major miracles: more than 4,000 faithful came out to pray during the Fall 40 Days for Life Vigil outside the Southwestern late-term abortion center; an abortion center worker quit while our youth were praying outside during summer Boot Camp; more mothers' lives are being transformed through our GEMS program; and the most miraculous of all — our sidewalk counselors helped the most mothers ever to **choose life for their babies** outside the

Dallas abortion centers: **536** turnaways, and an additional **422** "hopeful turnaways" in 2010! Praise our awesome God, Who is mighty to save!

We begin this new year — the Year for the Miraculous — firmly resolved to furthering this great mission tasked to us all. We'll begin this month with what I am sure will be the largest turnout ever seen for the **Dallas March for Life** on **January 22nd**. Bishop Farrell has issued the call to see at least **10,000** pro-lifers marching with him in the city where *Roe* began. It's time for the miraculous — let's see it happen!

Thank you for your continued prayers, participation, and support. God bless you — and bring the miraculous in 2011!

Your donation saves babies!

Your 100 percent tax-deductible gift is critical to allowing the Catholic Pro-Life Committee to fulfill our unique mission in furthering the Gospel of Life in the Diocese of Dallas and beyond.

Every year we reach out to help an average of at least one mother each day to choose life instead of abortion — 536 chose life in 2010!

Using the enclosed envelope, mail your gift to CPLC, P.O. Box 59852, Dallas, TX 75229, or make a donation online at www.prolifedallas.org.

If you wish to support our mission with a special contribution such as a stock gift, a company matching grant, a monthly pledge, a willed gift, or other non-cash donation, contact Director of Development Ellen Rossini at 972-571-8705.
